Dear General Valdes:

Receipt of your letters of June 18th and June 27th is acknowledged. I am very happy to hear that your voyage turned out to be a pleasant one and that you were well looked after during your trip on the USAT "REPUBLIC".

I am particularly pleased to hear of the efficient work and courtesies on the part of the transport personnel which you named in your two letters. You can rest assured that your commendations and words of appreciation will be transmitted to each of them.

I hope that too many days will not pass before you will be able to visit the United States again.

With kindest personal regards,

Sincerely yours,

Calvin DeWitt, Jr.
